STAT FROM : [redacted]
Assistant Legislative Counsel

SUBJECT : Anti-terrorism Legislation, H. R. 2441

1. Attached for your review is H.R. 2441 which replaces H.R. 1834 as the House version of the Omnibus Anti-terrorism Act of 1979.

2. Please review this version for changes which might have a negative effect on this Agency or its operations. I would appreciate your responses not later than close of business 20 March 1979 as I have a meeting scheduled with the staff of the Committee handling this bill on the following day at which time I will argue for our recommended changes or modifications.

3. You should be aware of the fact that the Committee Chairman is pushing for prompt consideration of this bill and has, therefore, scheduled markup for the afternoon of 27 March.
